Serial No.

1) During my discussions at Delhi, I was informed by the representative of the Indian Railway Board that the Mysore State Railway will be kept on for at least a year on its present set-up even after 1-4-50 and that the Board would require the services of the present General Manager, Sri R. Ramakrishna after 1-4-50 for about a period of a year till they are able to make their own arrangement.

2) Sri R. Ramakrishna now holds the combined post of the Director of Industries and Commerce and the General Manager, Mysore State Railway. He cannot obviously hold both the posts or discharge both the functions after 1-4-50. It is therefore necessary to bifurcate the two functions again and appoint Sri R. Ramakrishna as General Manager, Mysore State Railway with effect from some date between now and ~~from~~ 1-4-50 and to post another Officer as Director of Industries and Commerce. The name of Sri E. V. Ganapathi Iyer who has now returned from leave may perhaps be considered for the post of the Director of Industries and Commerce.
